A red carpeted staircase leading up to a bright light source, with the text "Kom binnen..." overlaid. The staircase is made of white steps with a red carpet runner. The light source is at the top of the stairs, creating a bright glow and lens flare. The floor at the bottom of the stairs is checkered.

Kom binnen...

A square tile with a light blue background and a dark blue floral border. The border features stylized tulip-like flowers and leaves. In the center of the tile is a white circle with a dark blue outline. Inside the circle, the Dutch proverb "Voorkomen is beter dan genezen" is written in a black, serif font.
